

Connect with Goddess

Are you feeling out of touch with Spirit lately and having trouble finding your path to travel on? Our Connect with Goddess layout may be just what you need to help you unite with the Divine that you seek. The stones have been picked specifically to help you connect to and communicate with Goddess. If you desire a specific Goddess, pick a stone known for her energy and add it to this layout at the top between her hands.

Our exclusive Goddess grid pattern has a Seed of Life in her womb to represent the creation of all things. Use this figure to bring Goddess energy and creation energy together to help manifest your desires. This picture shows Spirit Whisperings' Goddess design in copper on a white altar cloth.

- 1 Amethyst
- 2 Clear Quartz
- 3 Moonstone
- 4 Blue Lace Agate

Place the altar cloth on your altar or a table near where you plan to meditate and connect. Arrange the stones on the cloth as the diagram shows. Position your hands towards your grid and project your energy from your palm chakras toward your layout. Intone the following affirmation while energizing your Connect with Goddess Layout: "I activate this Sacred Stone Grid to open connections with Goddess and to clearly hear and understand her directions." Sit with and meditate with this energy and allow clarification to come to you.
