

Heal Mother Earth

If you are looking for a way to honor and support Gaia this may be the way for you. This layout can be set up for yourself or as the focal point for a group ceremony to heal our Earth. The stones have been picked specifically to help increase the energies of healing and dissipating unwanted energies. This layout frequently works best if shared with others to help combine the powers of all and spread the healing all over the globe. Every bit helps, so even if it is just you, it can still be very powerful.

Our exclusive Goddess grid pattern has a Seed of Life in her womb to represent the creation of all things. Use this figure to bring Goddess energy and creation energy together to help manifest your desires. This picture shows Spirit Whisperings' Goddess design in brown on a natural cotton altar cloth.

- 1 Chrysocolla sphere
- 2 Aragonite
- 3 Black Tourmaline
- 4 Green Calcite

Place the altar cloth on your altar or a safe place outside in nature. If used in a group ceremony place in the center of a group of people. Arrange the stones on the cloth as the diagram shows. Position your hands towards your grid and project your energy from your palm chakras toward your layout. Intone the following affirmation while energizing your Heal Mother Earth Layout: "I activate this Sacred Stone Grid to activate all connections that can heal our Earth." If in a group, you could ask each participant what they feel or how they think they can go forward with this plan.
